

Mechanics Department

Assistant professor position in fluid mechanics

Application deadline: March 15, 2022

Anticipated start date: September 1, 2022

The Department of Mechanics at École Polytechnique invites applications for a faculty position at the Assistant Professor level in Fluid Mechanics, starting September 1, 2022.

Candidates must hold a PhD and have demonstrated excellence in research and teaching. They are expected to teach courses in mechanics at different levels (Bachelor, Engineering school and Master's). They will also contribute more broadly to the department's course offerings at both the undergraduate and graduate levels.

The candidate is expected to conduct original research in theoretical and numerical fluid mechanics within the hydrodynamics laboratory at Ecole Polytechnique (LadHyX).

The candidate should submit a complete CV along with statements of research and a teaching interests.

In terms of responsibilities, duties, and salary, Assistant Professor positions at École Polytechnique are equivalent to the French academic positions of "Maître de Conférences".

Interested candidates are invited to contact rapidly the Department Chair, Christophe Josserand (christophe.josserand@polytechnique.edu) and the LadHyX head, Lutz Lesshafft (lutz@ladhyx.polytechnique.fr).

Applications are submitted directly via École Polytechnique's website (<https://candidatures-calliope.polytechnique.fr/calliope-fo/accueil/index.php>). The application deadline is **March 15, 2022**.
